

## **Submission of Redistricting Plans**

- Plans may only be submitted by members of the House of Representatives.
- Outside plans submitted through members of the House of Representatives shall be delivered to the Select Committee on Redistricting by twelve o'clock (12:00) noon (CST) on Friday, November 12, 2021, to determine compliance with submission guidelines.
- Outside plans submitted must comply with the following:
  1. Plans must use the same population figures and geographic division used by the House of Representatives for redistricting;
  2. Plans must be submitted for the state as a whole with the requisite number of contiguous, single-member districts for the type of plan submitted;
  3. Plans must comply with the Voting Rights Act and the Constitutions of Tennessee and the United States;
  4. Plans must be submitted in an electronic format which is prepared using either Maptitude for Redistricting or in an electronic format which can be imported using Maptitude for Redistricting; and
  5. Plans should be accompanied with a report containing (at a minimum) the total population of each district, the relative deviation from the ideal population of each district (expressed as a percentage), and the total overall range of the plan as a whole.
